

# BEAST MODE 3D ARCHERY TOUR

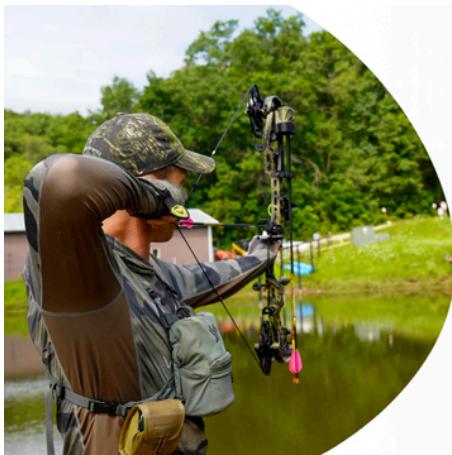

Participate in one of the Midwest's most exciting 3D archery experiences at the Beast Mode 3D Archery Tour, brought to you by the Rocky Mountain Elk Foundation. Set against rugged terrain, this event features more than forty realistic targets across multiple courses that mirror the shots and conditions you would encounter in real hunts. Archers of all skill levels can shoot multiple courses in a day, test their aim on steep angles and long shots, and enjoy the camaraderie of a well run outdoor event designed to sharpen bow skills and build confidence.

# CHALLENGE EVENTS

Push your limits with the Beast Mode Archery Challenge Events, a series of competitive archery experiences that combine precision shooting with physical endurance. These events range from intense, long course endurance formats to multi-stage tests that include 3D shooting, strength, and scenario-based challenges. Designed to simulate real world hunting demands, the Challenge Events offer something for every archer looking to test strength, stamina, and precision.
